Mission

Maahi Milk Producer Company Limited is committed for giving maximum return to the members through dairying.

Vision

With strong commitment to our values, Maahi will be known as one of the World's leading companies in the area of milk business.

Chairman's Message

To all my beloved milk producer members and members of the Board.

I honored and felt a chosen one from the almighty by having an opportunity to address by this message to all the stakeholders. Maahi has successfully completed a decade, which will be remembered as an era of its grit, perseverance and fighting & winning against all odds. During this journey, the company has witnessed unconditional support from its all members, sahayaks, employees, customers and all the directly and indirectly associated stakeholders and as a result, company has efficaciously achieved a sales turnover of Rs. 1,734.67 Crores, while the Profit Before Tax is Rs. 20.72 Crores during the financial year 2022-23.

At the onset of this remarkable journey started with millions of hopes and expectations now translated into the milestone of reality from "Hope to Happiness" and became a hallmark of value-oriented organization supported by the continual faith from its milk producer members prospered with the company.

On this moment, I take an opportunity to express my gratitude to all the milk producers associated with the organization.

At the time of commencement of its operations, on 18th March, 2013 around 85 thousand milk producer members kept their faith and stake on the company has now crossed the magical figure of 1 lakh which shows trust of its members towards the company. The company was having only 8% women member based at the very beginning of its operations, which have now increased to 48% in

last decade, which has boosted true women participation in the animal husbandry practices directly, and indirectly contributing to the larger objectives of women empowerment at rural levels.

The company has truly lived its values, mission and vision by providing maximum returns to its members and paid average milk price of Rs.50 per litre milk price during the last financial year i.e. 2022-23 with additional consideration of Rs. 35.50 crore to its eligible members based on the fulfillment criteria.

The company's decision to take over of cattle feed factory in the year 2018 on long lease from NDDDB with an objective to provide high quality fodder to milk producers, has significantly yielded exceptional results in fulfilling company's internal capability of producing quality fodder & mineral mixture for milk producers, the same is being also supplied to other milk producers organizations as per their requirements.

In the end, I congratulate to all the officers and employees of the company for the efficient operations of the company and making various programs successful. I am thankful to expert directors, producer directors, all the members, Mother Dairy Fruit & Vegetables Pvt. Ltd., customers, vendors, service providers, bankers and all other stakeholders. I express my sincere gratitude to NDDDB and NDDDB Dairy Services for technical guidance provided during the year.

(F.Y.2022-23)

Chief Executive's Message

It has been a privilege and a proud moment to be associated with the company having exhilarating past decade. While working with Maahi I have been fortunate to work under various roles and functions in the company before bestowed as a Chief Executive of the company. All these years, I have witnessed unquestionable passion among its all the stakeholders towards the company to become successful.

With distinct organization DNA driven by its values, mission and vision, during the past decade, the company have successfully established itself as one of the preferred and homegrown FMCG brand, which is synonyms to quality and milk producers' entrepreneurship.

From the inception days where the company operations commenced in provocative environment confronting uncertain future with unwavering expectations of peoples related to its existence, sustainability and its viability with very limited resources have successfully overcome from all these obstacles and transformed itself as one of the most innovative and resourceful company in the dairy business which creates and add value for its stakeholders in entire dairy value chain.

The company is widely apprise and acclaimed for its digital practices in the dairy operations leveraging technology at farmer's doorstep enabling them to participate in the main stream of economy by the implementation of numerous android based mobile applications like, Automatic Milk Collection App, ERP software at BMC for milk collection, Milk On Mobile App to get Maahi milk and milk products, BMC Auto Monitoring System for quality testing of the collected milk at BMC etc.

With a portfolio of only four products i.e. Milk, Curd, Butter Milk and

Ghee at the time of company's operationalization, the company product basket are being increased to large number of product range. On 10th anniversary of our the organization i.e. 18th March, 2023, the product basket was further increased after the launch of Lassi in three flavors namely Mango, Rose and Lychee which have received unprecedented response from the consumers.

With an objective of providing value added services to members, company's long awaited DVHS (Doorstep Veterinary Health Services) also known as Maahi Pashu Seva is being started with a team of qualified veterinary doctors during the year 2022-23. DVHS is contributing to quality treatment of animal, disease prevention & cure as well as encouragement for world class animal husbandry practices at farmer's doorstep.

During this journey of Hope to Happiness, all these years, the company's commitment towards its value, mission and vision are being tested by numerous obstacles i.e. Cyclone, Animal epidemics, Pandemics. However, with the support of unconditional determination of all the employees against all odds, the company has successfully encountered all its challenges and strengthen the faith of all its stakeholders with unwavering trust.

I congratulate to all the employees. I express my sincere & heartfelt thanks to all the milk producer members of the organization for their continued cooperation as well to the expert directors and all the members of the board of directors for their guidance during the year.

At the end, I express my gratitude to National Dairy Development Board (NDDB), NDDB Dairy Services (NDS) and Mother Dairy Fruits and Vegetable Private Ltd. (MDFVPL) for their immense support from time to time.

Dr. Sanjaykumar Govani
Chief Executive & Director

Journey of Decade... Hope to Happiness....

Financial year 2022-23 has been marked as a landmark year for the company, as the company has completed 10 years of successful operations on 18th March, 2023. It is the journey from Hope to Happiness, Hope is the faith which inspire millions to see the light in despair darkness and Maahi has been epitomized as Hope for all the milk producers who were in despair. With the commencement of Maahi's operations on 18th March, 2013, the hopes come true for number of milk producers and that's why the day which has been known and celebrated not just by the company but by Lakhs of milk producers' family and stakeholders associated with the company as **"Maahi Day"**.

During the journey from Hope to Happiness, company has confronted various hitches, however, with the strong commitment to our Values, Mission and Vision, company has achieved various landmarks in its journey and brought Happiness to Lakhs of milk producers' families and all other stakeholders associated directly and indirectly with the company.

With the focus of empowering women in the animal husbandry business, company has reached to 48% women participation in total members, which initially was around 8% only.

ANNEXURE 'C' TO THE DIRECTORS' REPORT

Statement regarding conservation of energy, environmental projection, technology absorption and foreign exchange earnings and outgo for the year ended on 31st March, 2023 as required under Section 134 (3) (m) and provisions of chapter XXIA of the Companies Act, 2013, which forms part of the Directors' Report.

A. Conservation of Energy:

(I) the steps taken or impact on conservation of energy & (II) the steps taken by the company for utilizing alternate sources of energy

In line with the commitment of the company towards conservation of energy through adopting automation, development and modification in new technologies and renewable source of energy, use of solar energy. Efforts are being made to reduce electricity and furnace oil consumption with the following steps:

- i. Use of renewable source of green energy which resulted into increase in income of Sahayak. Solar power system is installed in replacement of 1 KVA UPS to energize the milk testing equipment at MPP.
- ii. Day by day it is observed that ambient temperature

is increasing and with the increase in temperature, efficiency of refrigeration system decrease which affect the quality of milk.

As a remedial measure, air cooled condensing system in Instant Milk Chilling Unit is upgraded with water cooled condensing system at Babra BMC, after upgradation, it is observed that there is improvement in refrigeration efficiency and as a result there is reduction in chilling time of raw milk. Water cooled condensing system is more efficient in all types of environmental conditions.

- iii. Continuous use of solar water heater system to increase raw water temperature which passes through boiler helps in saving in consumption of furnace oil.
- iv. With continuous use of installed 115 KW solar rooftop power system, we can use renewable source of green energy and reduce electricity power consumption at AFNU plant.

Impact of Energy conservation measure –

- i. Estimated Saving of Rs. 2500/- per annum is

expected in Energy bill at every milk pooling points which will indirectly add to the income of sahayak. Moreover, this saving will be a recurring saving for the life span of solar panel@20 years minimum and will help in protection of environment.

- ii. Modification in Instant Milk Chilling Unit (IMCU) helped in reduction in milk chilling cost by approx. 0.06 Rs. / Lts. and reduction in milk chilling process time which improve the quality of milk with reduction in chilling cost.
- iii. Reduction in Furnace oil consumption by 0.03 liter per MT of cattle feed production in FY: 2022-23. As result we are saving approx. Rs.0.20 Lakhs in furnace oil consumption in boiler.
- iv. By installing solar rooftop power system, there is approx saving of Rs. 8.30 Lakhs/ Annum in FY 2022-23.

(III) The capital investment on energy

conservation equipment during the FY 2022-23 is Rs. 65.04 Lakhs.

B. Environmental Protection:

Maahi Milk Producer Company Ltd. is fully committed to and always comply with all industry specific laws and regulations in all sphere of activities in the company without any leniency. Apart from compliance of the company specific, product specific laws and regulations, Maahi has been collecting, processing and disposing of consumer plastic waste as a part of EPR activity.

C. Technology Absorption:

The company continues to use the latest technologies for improving the productivity and quality of its services and products. The company's operations do not require significant import of technology.

INDEPENDENT AUDITORS' REPORT

TO THE MEMBERS OF

MAAHI MILK PRODUCER COMPANY LIMITED

Report on the Audit of the Financial Statements

Opinion

1. We have audited the accompanying financial statements of Maahi Milk Producer Company Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2023, and the Statement of Profit and Loss and the Cash Flow Statement for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.
2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2023, and its profit and its cash flows for the year then ended.

Basis for Opinion

3. We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our

responsibilities under those Standards are further described in the "Auditors' responsibilities for the audit of the financial statements" section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other information

4. The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Directors' report, but does not include the financial statements and our auditors' report thereon.

Our opinion on the financial statements does not cover the other

information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Responsibilities of management and those charged with governance for the financial statements

5. The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in

accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

6. In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditors' responsibilities for the audit of the financial statements

7. Our objectives are to obtain

reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

8. As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion,

forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are

based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
9. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Other matter

10. The financial statements of the Company for the year ended March 31, 2022, were audited by another firm of chartered accountants under the Act who, vide their report dated July 28, 2022, expressed an unmodified opinion on those financial statements.

Report on Other Legal and Regulatory Requirements

11. As required by 'the Companies (Auditor's Report) Order, 2020' ("the Order"), issued by the Central Government of India in terms of

sub-section (11) of Section 143 of the Act, we give in the Annexure B a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

12. As required by Section 143(3) of the Act, we report that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- (c) The Balance Sheet, the Statement of Profit and Loss and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
- (d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act.
- (e) On the basis of the written representations received from the directors as on March 31, 2023, taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2023, from being appointed as a director in terms of Section 164(2) of the Act.

- (f) With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in Annexure A.
- (g) With respect to the other matters to be included in the Auditors' Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014 (as amended), in our opinion and to the best of our information and according to the explanations given to us:
- i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements. Refer note 30 to the financial statements.
 - ii. The Company was not required to recognise a provision as at March 31, 2023 under the applicable law or accounting standards, as it does not have any material foreseeable losses on long-term contracts. The Company did not have any derivative contracts as at March 31, 2023.
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company during the year.
 - iv. (a) The management has represented that, to the best of its knowledge and belief, as disclosed

in the notes to the accounts, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other persons or entities, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries (Refer note 34(b) (viii) to the financial statements);

(b) The management has represented that, to the best of its knowledge and belief, as disclosed in the notes to the accounts, no funds have been received by the Company from any persons or entities, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or

the like on behalf of the Ultimate Beneficiaries (Refer note 34(b) (viii) to the financial statements); and

(c) Based on such audit procedures that we considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (a) and (b) contain any material misstatement.

- v. The dividend declared and paid during the year by the Company is in compliance with Section 123 of the Act.
- vi. As proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 (as amended), which provides for books of account to have the feature of audit trail,

edit log and related matters in the accounting software used by the Company, is applicable to the Company only with effect from financial year beginning April 1, 2023, the reporting under clause (g) of Rule 11 of the Companies (Audit and Auditors) Rules, 2014 (as amended), is currently not applicable.

- 13. The provisions of Section 197 read with Schedule V to the Act are applicable only to public companies. Accordingly, reporting under Section 197(16) of the Act is not applicable to the Company.
- 14. As required by Section 378ZG of the Act, we give in Annexure C, a statement on the matters specified in that Section.

ANNEXURE “A” TO THE INDEPENDENT AUDITOR’S REPORT

Referred to in paragraph 12(f) of the Independent Auditors’ Report of even date to the Members of Maahi Milk Producer Company Limited on the Financial Statements as of and for the year ended March 31, 2023

Report on the Internal Financial Controls with reference to Financial Statements under clause (i) of sub-section 3 of Section 143 of the Act.

1. We have audited the internal financial controls with reference to financial statements of Maahi Milk Producer Company Limited (“the Company”) as of March 31, 2023, in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management’s responsibility for Internal Financial Controls

2. The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (“the Guidance Note”) issued by the Institute of Chartered Accountants of India (“ICAI”). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor’s Responsibility

3. Our responsibility is to express an opinion on the Company’s internal

financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing deemed to be prescribed under Section 143(10) of the Act to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditors’ judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our

audit opinion on the Company's internal financial controls system with reference to financial statements.

Meaning of Internal Financial Controls with reference to Financial Statements

6. A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the

financial statements.

Inherent limitations of Internal Financial Controls with reference to Financial Statements

7. Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion, the Company has, in all material respects, an adequate internal financial controls system with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at March 31, 2023, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by ICAI.

ANNEXURE “B” TO THE INDEPENDENT AUDITORS’ REPORT

Referred to in paragraph 11 of the Independent Auditors’ Report of even date to the Members of Maahi Milk Producer Company Limited on the Financial Statements as of and for the year ended March 31, 2023

- i (a) (A) The Company is maintaining proper records showing full particulars, including quantitative details and situation, of property, plant and equipment.
- (B) The Company is maintaining proper records showing full particulars of intangible assets.
- (b) The property, plant and equipment of the Company have been physically verified by the management during the year and no material discrepancies have been noticed on such verification. In our opinion, the frequency of verification is reasonable.
- (c) According to the information and explanations given to us and the records of the Company examined by us, the Company does not own any immovable properties (Refer note 12 to the financial statements). Therefore, the provisions of clause 3(i)(c) of the Order are not applicable to the Company.
- (d) The Company has chosen cost model for its property, plant and equipment and intangible assets. Consequently, the question of our commenting on whether the revaluation is based on the valuation by a Registered Valuer, or specifying the amount of change, if the change is 10% or more in the aggregate of the net carrying value of each class of property, plant and equipment or intangible assets does not arise.
- (e) Based on the information and explanations furnished to us, no proceedings have been initiated on (or) are pending against the Company for holding benami property under the Prohibition of Benami Property Transactions Act, 1988 (as amended in 2016) (formerly the Benami Transactions (Prohibition) Act, 1988 (45 of 1988)) and Rules made thereunder, and therefore the question of our commenting on whether the Company has appropriately disclosed the details in its financial statements does not arise.
- ii (a) The physical verification of inventory has been conducted at reasonable intervals by the management during the year and, in our opinion, the coverage and procedure of such

- verification by management is appropriate. The discrepancies noticed on physical verification of inventory as compared to book records were not 10% or more in aggregate for each class of inventory and have been appropriately dealt with in the books of account.
- (b) During the year, the Company has been sanctioned working capital limits in excess of INR 5 crores, in aggregate, from banks on the basis of security of current assets. The Company has filed quarterly returns or statements with such banks, where applicable, which are in agreement with the unaudited books of account.
- iii. The Company has not made any investments, granted secured/unsecured loans/advances in nature of loans, or stood guarantee, or provided security to any parties. Therefore, the reporting under clause 3(iii), (iii)(a), (iii)(b), (iii)(c), (iii)(d), (iii)(e) and (iii)(f) of the Order are not applicable to the Company.
- iv. The Company has not granted any loans or made any investments or provided any guarantees or security to the parties covered under Sections 185 and 186 of the Act. Therefore, the reporting under clause 3(iv) of the Order are not applicable to the Company.
- v. The Company has not accepted any deposits or amounts which are deemed to be deposits referred in Sections 73, 74, 75 and 76 of the Act and the Rules framed there under to the extent notified.
- vi. The Central Government of India has not specified the maintenance of cost records under sub-section (1) of Section 148 of the Act for any of the products of the Company.
- vii. (a) According to the information and explanations given to us and the records of the Company examined by us, in our opinion, the Company is regular in depositing the undisputed statutory dues, including goods and services tax, provident fund, employees' state insurance, income tax, sales tax, service tax, duty of customs, duty of excise, value added tax, cess and other material statutory dues, as applicable, with the appropriate authorities.
- (b) According to the information and explanations given to us and the records of the Company examined by us, the particulars of statutory dues referred to in sub-clause (a) as at March 31, 2023 which have not been deposited on account of a dispute, are as follows.

Name of the statute	Nature of dues	Amount (INR Lakhs)	Amount paid under protest (INR Lakhs)	Period to which the amount relates	Forum where the dispute is pending
Income Tax Act, 1961	Income Tax	276.03	276.03	FY 2014-15	CIT (Appeals)
Income Tax Act, 1961	Interest on dividend distribution tax	11.81	11.81	FY 2018-19	Assessing Officer - CPC

viii. According to the information and explanations given to us and the records of the Company examined by us, there are no transactions in the books of account that has been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961, that has not been recorded in the books of account.

ix. (a) According to the records of the Company examined by us and the information and explanations given to us, the Company has not defaulted in repayment of loans or other borrowings or in the payment of interest to any lender during the year.

(b) According to the information and explanations given to us and on the basis of our audit procedures, we report that the Company has not been declared Wilful Defaulter by any bank or financial institution or government or any government authority.

(c) According to the records of the Company examined by us and

the information and explanations given to us, the Company has not obtained any term loans.

(d) According to the information and explanations given to us, and the procedures performed by us, and on an overall examination of the financial statements of the Company, we report that no funds raised on short-term basis have been used for long-term purposes by the Company.

(e) According to the information and explanations given to us and procedures performed by us, we report that the Company did not have any subsidiaries, joint ventures or associate companies during the year.

(f) According to the information and explanations given to us and procedures performed by us, we report that the Company did not have any subsidiaries, joint ventures or associate companies during the year.

x. (a) The Company has not raised any money by way of initial

public offer or further public offer (including debt instruments) during the year. Accordingly, the reporting under clause 3(x)(a) of the Order is not applicable to the Company.

(b) The Company has not made any preferential allotment or private placement of shares or fully or partially or optionally convertible debentures during the year. Accordingly, the reporting under clause 3(x)(b) of the Order is not applicable to the Company.

- xi. (a) During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, and according to the information and explanations given to us, we have neither come across any instance of material fraud by the Company or on the Company, noticed or reported during the year, nor have we been informed of any such case by the management.

(b) During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, and according to the information and explanations given to us, a report under Section 143(12) of the Act, in Form ADT-4, as prescribed under Rule 13 of Companies

(Audit and Auditors) Rules, 2014 was not required to be filed with the Central Government. Accordingly, the reporting under clause 3(xi)(b) of the Order is not applicable to the Company.

(c) During the course of our examination of the books and records of the Company carried out in accordance with the generally accepted auditing practices in India, and according to the information and explanations given to us, and as represented to us by the management, no whistle-blower complaints have been received during the year by the Company. Accordingly, the reporting under clause 3(xi)(c) of the Order is not applicable to the Company.

- xii. As the Company is not a Nidhi Company and the Nidhi Rules, 2014 are not applicable to it, the reporting under clause 3(xii) of the Order is not applicable to the Company.
- xiii. The Company has entered into transactions with related parties in compliance with the provisions of Section 188 of the Act. The details of such related party transactions have been disclosed in the financial statements as required under Accounting Standard 18 “Related Party Disclosures” specified under Section 133 of the Act. Further, the Company is not required to constitute an Audit Committee under Section 177 of the Act and, accordingly, to this extent, the

reporting under clause 3(xiii) of the Order is not applicable to the Company.

- xiv. (a) In our opinion and according to the information and explanation given to us, the Company has an internal audit system commensurate with the size and nature of its business.
- (b) The reports of the Internal Auditor for the period under audit have been considered by us.
- xv. The Company has not entered into any non-cash transactions with its directors or persons connected with him. Accordingly, the reporting on compliance with the provisions of Section 192 of the Act under clause 3(xv) of the Order is not applicable to the Company.
- xvi. (a) The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, the reporting under clause 3(xvi)(a) of the Order is not applicable to the Company.
- (b) The Company has not conducted non-banking financial/housing finance activities during the year. Accordingly, the reporting under clause 3(xvi)(b) of the Order is not applicable to the Company.
- (c) The Company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India. Accordingly, the reporting

under clause 3(xvi)(c) of the Order is not applicable to the Company.

- (d) Based on the information and explanations provided by the management of the Company, the Group (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016) does not have any CICs, which are part of the Group. We have not, however, separately evaluated whether the information provided by the management is accurate and complete. Accordingly, the reporting under clause 3(xvi)(d) of the Order is not applicable to the Company.
- xvii. The Company has not incurred any cash losses in the financial year or in the immediately preceding financial year.
- xviii. There has been no resignation of the statutory auditors during the year and accordingly the reporting under clause 3(xviii) is not applicable.
- xix. According to the information and explanations given to us and on the basis of the financial ratios (Also refer note 34(a) to the financial statements), ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the

assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that Company is not capable of meeting its liabilities existing at the date of Balance Sheet as and when they fall due within a period of one year from the Balance Sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of

one year from the Balance Sheet date will get discharged by the Company as and when they fall due.

- xx. As at Balance Sheet date, the Company does not have any amount remaining unspent under Section 135(5) of the Act. Accordingly, reporting under clause 3(xx) of the Order is not applicable.
- xxi. The reporting under clause 3(xxi) of the Order is not applicable in respect of audit of Standalone Financial Statements. Accordingly, no comment in respect of the said clause has been included in this report.

MAAHI MILK PRODUCER COMPANY LIMITED

CIN : U01403GJ2012PTC070646

Notes to the financial statements for the year ended March 31, 2023

1. General information

Maahi Milk Producer Company Limited (the “Company”) was incorporated on June 7, 2012 under Part IXA of the Companies Act, 1956. The Company procures milk directly from milk producers through ‘Milk Pooling Points(MPP)’ in the villages of Gujarat. The Company trades in Raw Milk and also processes the milk procured for the manufacture of Polypack Milk (PPM), Butter Milk, Ghee, Dahi, Shrikhand, Paneer, Flavoured Milk, Lassi, Skimmed Milk Powder, White Butter. The Company also manufactures Cattle Feed and Mineral Mixtures.

2. Summary of significant accounting policies
2.1 Basis of preparation

These financial statements have been prepared in accordance with the generally accepted accounting principles in India under the historical cost convention on accrual basis. These financial statements have been prepared to comply in all material aspects with the accounting standards notified under the Companies (Accounting Standards) Rules, 2021, specified under Section 133 and other relevant provisions of the Companies Act, 2013.

All assets and liabilities have been classified as current or non-current as per the Company’s operating cycle and other criteria set out in the Schedule III (Division I) to the

Companies Act, 2013. Based on the nature of products and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current - non-current classification of assets and liabilities.

2.2 Property, plant and equipment

Property, plant and equipment are stated at cost, net of accumulated depreciation and accumulated impairment losses, if any. Cost comprises of the purchase price including import duties and non-refundable taxes, and directly attributable expenses incurred to bring the asset to the location and condition necessary for it to be capable of being operated in the manner intended by management. Subsequent costs related to an item of property, plant and equipment are recognised in the carrying amount of the item if the recognition criteria are met.

An item of property, plant and equipment is derecognised on disposal or when no future economic benefits are expected from its use or disposal. The gain or loss arising on derecognition is recognised in the Statement of Profit and Loss.

2.3 Depreciation

Depreciation is provided on a pro-rata basis on the straight-line method over the estimated

useful life of the assets, based on technical evaluation carried out by management's expert taking into account the nature of the assets, their estimated period of use and the operating conditions. The depreciation charge for each period is recognised in the Statement of Profit and Loss, unless it is included in the carrying amount of any other asset. The useful life, residual value and the depreciation method are reviewed atleast at each financial year end. If the expectations differ from previous estimates, the changes are accounted for prospectively as a change in accounting estimate.

The estimates of useful life of property, plant and equipment are as follows:

Assets	Useful life as per Schedule II (in years)	Management estimate of useful life (in years)
Buildings	20	20
Plant and Machinery	3-10	3-10
Office equipments	5	5
Furniture and fixtures	10	10
Computers	3	3

2.4 Intangible assets

Intangible assets are stated at acquisition cost, net of accumulated amortisation and accumulated impairment losses, if any. Intangible assets are amortised on a straight-line basis over their estimated useful life. A rebuttable

presumption that the useful life of an intangible asset will not exceed 10 years from the date when the asset is available for use is considered by the management. The amortisation period and the amortisation method are reviewed atleast at each financial year end. If the expected useful life of the asset is significantly different from previous estimates, the amortisation period is changed accordingly.

Gains or losses arising from the retirement or disposal of an intangible asset are determined as the difference between the net disposal proceeds and the carrying amount of the asset and recognised as income or expense in the Statement of Profit and Loss. The estimated useful life of intangible assets are as follows:

Assets	Useful life as per Schedule II (in years)	Management estimate of useful life (in years)
Computer Software	NA	3

2.5 Borrowing costs

Borrowing costs include interest, other costs incurred in connection with borrowing and exchange differences arising from foreign currency borrowings to the extent that they are regarded as an adjustment to the interest cost. General and specific borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time

to get ready for their intended use or sale, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use or sale. All other borrowing costs are recognised in the Statement of Profit and Loss in the period in which they are incurred.

2.6 Impairment of assets

Assessment is done at each Balance Sheet date as to whether there is any indication that an asset (tangible and intangible) may be impaired. If any such indication exists, an estimate of the recoverable amount of the asset/cash generating unit (“CGU”) is made. Recoverable amount is higher of an asset’s or CGU’s net selling price and its value in use. Value in use is the present value of estimated future cash flows expected to arise from the continuing use of an asset and from its disposal at the end of its useful life. For the purpose of assessing impairment, the recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets. The smallest identifiable group of assets that generates cash inflows from continuing use that are largely independent of the cash inflows from other assets or groups of assets, is considered as a CGU. An asset or CGU whose carrying value exceeds its recoverable amount is considered impaired and is written down to its recoverable amount. Assessment is also done

at each Balance Sheet date as to whether there is any indication that an impairment loss recognised for an asset in prior accounting periods may no longer exist or may have decreased. An impairment loss is reversed to the extent that the asset’s carrying amount does not exceed the carrying amount that would have been determined if no impairment loss had previously been recognised.

2.7 Inventories

Inventories are stated at lower of cost and net realisable value. Cost is determined using the weighted average method. The cost of finished goods comprises raw materials, direct labour, other direct costs, related production overheads and other cost incurred in bringing the inventories to their present location and condition. Net realisable value is the estimated selling price in the ordinary course of business, less the estimated costs of completion and the estimated costs necessary to make the sale.

2.8 Revenue recognition

Sale of goods

Sales are recognised when the significant risks and rewards of ownership in the goods are transferred to the buyer as per the terms of the contract, which coincides with the delivery of goods and are recognised net of trade discounts, rebates and goods and services tax (GST).

Other income

Interest income is recognised on a time proportion basis taking into

account the amount outstanding and the rate applicable.

2.9 Employee benefits

Provident Fund

Contribution towards provident fund for employees is made to the regulatory authorities, where the Company has no further obligations. Such benefits are classified as defined contribution schemes as the Company does not carry any further obligations, apart from the contributions made on a monthly basis.

Gratuity

The Company provides for gratuity, a defined benefit plan (the “Gratuity Plan”) covering eligible employees in accordance with the Payment of Gratuity Act, 1972. The Gratuity Plan provides a lump sum payment to vested employees at retirement, death, incapacitation or termination of employment, of an amount based on the respective employee’s salary and the tenure of employment. The Company’s liability is actuarially determined (using the Projected Unit Credit method) at the end of each year. Actuarial losses/gains are recognised in the Statement of Profit and Loss in the year in which they arise. The Gratuity Plan is funded and is administered by the Life Insurance Corporation of India (LIC). The contributions made to the LIC are recognised as plan assets. The defined benefit obligation recognised in the Balance Sheet represents the present value of the defined benefit obligation as reduced by the fair value of plan assets.

Compensated absences

Accumulated compensated absences, which are expected to be availed or encashed within 12 months from the end of the year end are treated as short-term employee benefits. The obligation towards the same is measured at the expected cost of accumulating compensated absences as the additional amount expected to be paid as a result of the unused entitlement as at the year end.

Accumulated compensated absences, which are expected to be availed or encashed beyond 12 months from the end of the year are treated as other long-term employee benefits. The Company’s liability is actuarially determined (using the Projected Unit Credit method) at the end of each year. Actuarial losses/gains are recognised in the Statement of Profit and Loss in the year in which they arise.

The accumulated compensated absences liability is funded and is administered by the Life Insurance Corporation of India (LIC). The contributions made to the LIC are recognised as plan assets. The accumulated compensated absences liability recognised in the Balance Sheet represents the present value of the accumulated compensated absences liability as reduced by the fair value of plan assets.

2.10 Current and deferred tax

Tax expense for the period, comprising current tax and deferred tax, are included in the

determination of the net profit or loss for the period. Current tax is measured at the amount expected to be paid to the tax authorities in accordance with the prevailing taxation laws.

Deferred tax is recognised for all the timing differences, subject to the consideration of prudence in respect of deferred tax assets. Deferred tax assets are recognised and carried forward only to the extent that there is a reasonable certainty (except where the Company has unabsorbed depreciation or carry forward losses under tax laws) that sufficient future taxable income will be available against which such deferred tax assets can be realised. Deferred tax assets and liabilities are measured using the tax rates and tax laws that have been enacted or substantively enacted by the Balance Sheet date.

In situations, where the Company has unabsorbed depreciation or carry forward losses under tax laws, all deferred tax assets are recognised only to the extent that there is virtual certainty supported by convincing evidence that they can be realised against future taxable profits. At each Balance Sheet date, the Company re-assesses unrecognised deferred tax assets, if any.

Current tax assets and current tax liabilities are offset when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle the asset and the liability on a net basis. Deferred

tax assets and deferred tax liabilities are offset when there is a legally enforceable right to set off assets against liabilities representing current tax and where the deferred tax assets and the deferred tax liabilities relate to taxes on income levied by the same governing taxation laws.

2.11 Provisions and Contingent liabilities

Provisions

Provisions are recognised when there is a present obligation as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and there is a reliable estimate of the amount of the obligation. Provisions are measured at the best estimate of the expenditure required to settle the present obligation at the Balance sheet date and are not discounted to its present value.

Contingent liabilities

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made.

2.12 Use of estimates

The preparation of the financial statements in conformity with the generally accepted accounting principles in India requires the management to make estimates and assumptions that affect the reported amount of assets and liabilities as of the Balance Sheet date, reported amount of revenue and expenses for the year and disclosure of contingent liabilities as of the Balance Sheet date. The estimates and assumptions used in these financial statements are based on management's evaluation of the relevant facts and circumstances as of the date of the financial statements. The actual results could differ from these estimates and the difference between actual results and estimates are recognised in the period in which the results are known/materialise.

2.13 Leases

Operating leases

Leases in which a significant portion of the risks and rewards of ownership are retained by the lessor are classified as operating leases. Payments made under operating leases are charged to the Statement of Profit and Loss on a straight-line basis over the period of the lease.

2.14 Cash and cash equivalents

In the Cash Flow Statement, cash and cash equivalents include cash on hand, demand deposits with banks, other short-term highly liquid investments with original maturities of 3 months or less.

2.15 Earnings per share

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period is adjusted for the effects of all dilutive potential equity shares.

2.16 Government grants

Grants from the government are recognised when there is a reasonable assurance that the grant will be received and the Company will comply with all attached conditions

Government grants relating to income are deferred and recognised in the profit or loss over the period necessary to match them with the costs that they are intended to compensate and presented within other income.

Government grants related to the purchase of property, plant and equipment are treated as deferred grant which is recognised in the Statement of Profit and Loss on a systematic and rational basis over the useful life of the asset, i.e., depreciation charge on assets procured from such grants is appropriated from deferred grant and recognised in the Statement of Profit and Loss by way of reduced depreciation charge.

9. Alteration in Objects Clause of Memorandum of Association of the Company

- 9.1 Chairman of the Company Shri Mahendrasinh Jadeja has briefed about the object and need for Alteration of the Memorandum of Association. He informed members that considering the objects of the Company to promote the principles of mutuality and techniques of mutual assistance amongst the Members and further, to be true to the Mission, the Company would like to undertake activities for the members of the Company and others in our area of operations by providing certain daily need items like edible oils, fruits, vegetables, primary produces at a competitive price by sourcing the same in bulk or on retail basis. In order to pursue such activities in the future, it is being proposed to add new objective under its main objects clause.

Further, the reference of section of part IX-A of the Companies Act, 1956 has been proposed to be omitted and replaced with the respective section of Chapter XXIA of the Companies Act, 2013.

He then proposed the following resolution as a Special Resolution.

Resolution no.: 11th AGM:02.09.2022:9/2022-23

“RESOLVED THAT, pursuant to the provisions of section 378H of Chapter XXI-A of the Companies Act, 2013, and other applicable provisions, if any, of the Companies Act, 2013 (together with any statutory modification or re-enactment thereof for the time being in force), the applicable provisions of the Memorandum and Articles of Association of the Company, the existing Clause III A of Memorandum of Association of the Company be and is hereby altered by adding following new object as point 5 and renumbering the existing point 5 as new point 6.

5. To carry on the business of purchasing, producing, processing, selling, trading, import, export etc. of primary produce and its derivatives including but not limited to edible oil, fruits and vegetables primarily of the members and also of others, marketing of the same and to deal in activities that are part of or incidental to any activity related thereto.

FURTHER RESOLVED THAT in point 15 of Clause III B of Memorandum of Association of the Company the reference of section ‘581ZH’ and in Clause 18 reference of section ‘581ZL of Companies Act, 1956 be and is hereby omitted and replaced with section ‘378ZH’ and section ‘378ZL respectively of the Companies Act, 2013.”

Shri Chandresh Jodhabhai Pandheriya (Folio no. 0161504)

belonging to Class – A seconded the resolution.

The Chairman put the motion to vote and on a show of hands declared the same as approved unanimously.

10. Alteration in Articles of Association of the Company

10.1 Chairman of the Company Shri Mahendrasinh Jadeja has briefed about the object and need for Alteration of the Article of Association.

Alteration of Article 4.3 (ii)

Article 4.3 deals with the conditions for continuation and cancellation of membership. In order to clarify the mode through which notice may be sent to the members and also to give the Board an option to decide to exempt one or more eligibility criteria for all members for particular year while serving notice it is proposed to make an alteration in Article 4.3 (ii) of Articles of Association.

Alteration of Article 9.13

Article 9.13 of the Articles of Association of the Company deals with the quorum for Board Meeting. However, it does not speak about adjournment of meeting for want of quorum. Sec. 174(4) of the Companies Act, 2013 deals with the Quorum for a meeting of Board. It provides that where a meeting of the Board could not be held for want of quorum, then, unless the articles of the company otherwise provide, the meeting shall automatically stand adjourned to the same day at the same time and place in the next week or if that day is

a national holiday, till the next succeeding day, which is not a national holiday, at the same time and place.

Thus, in order to hold an adjourned Board Meeting within a week from the day of the original meeting, it is proposed to amend the existing Article 9.13.

He then proposed the following resolution as a Special Resolution.

Resolution no.: 11th AGM:02.09.2022:10/2022-23

“RESOLVED THAT pursuant to Sec. 378-I and other applicable provisions of Companies Act, 2013 including the provisions of Chapter XXI-A of the Act and rules made thereunder, Articles of the Company be and is hereby altered in the manner and to the extent as follows:

Existing Article 4.3 (ii) be replaced with the following Article as under:

4.3 (ii) Any member who is not eligible to continue as a Member shall be served a written notice by the Company for removal as Member and given an opportunity of being heard. However, for the purpose of sending notices to the members, the Board may exempt one or more eligibility criterion for all the members during a particular year. The Member would need to reply to the notice within the stipulated period as specified in the notice. Such notice shall be send by/through:

- Registered Post to the Member at his last known address and be deemed to be served five days after posting; or

- Electronic mode to the Member at his email ID registered with the Company and be deemed to be served on the day of sending email to Member.

Thereafter, the Board shall take a decision in the matter.

Existing Article 9.13 be replaced with the following Article as under:

9.13 i. The quorum for a meeting of the Board shall be one-third of the total strength of directors, subject to a minimum of three including the presence of at least one elected Director and one Expert Director. Notwithstanding the above, the quorum for the meeting of the Board of Directors shall not require the presence of the Expert Director in case there is no Expert Director on the Board of the Company.

ii. In case meeting of the Board could not be held for want of quorum, the meeting shall stand adjourned for the date, time and place as decided by the Chairman of the Company. However, the adjourned meeting shall be convened by the Chairman within seven days from the date of original meeting.”

Shri Naran Kara Chocha (Folio no. 0142903) belonging to Class – A seconded the resolution.

The Chairman put the motion to vote and on a show of hands declared the same as approved unanimously.

11. To Consider and recommend the partial modification of Ordinary Resolution No. 3rd

AGM:26.08.14:11/2014-15 adopted at the 3rd Annual General Meeting of the Company.

11.1 Company secretary of the company has informed the members that members have adopted a table containing Parameters for applicant’s eligibility score at the 3rd Annual General Meeting. This table provides for the marks that a candidate is entitled on the basis of different parameters like number of days’ milk poured, educational qualification, training programme attended, awards or recognition as a member of the company etc. Inadvertently, the parameter regarding the Training Programme does not contain the programme LDP (Leadership Development Programme). Leadership Development Programme is a good training for members with an objective to develop skill of self-evaluation, creating awareness about teamwork, inculcating the Leadership skill, creating awareness among the members about the value, vision and mission of the company etc. In order that the members who apply for the position of a director and have attended the LDP, get the marks for it, the resolution is proposed before the members.

Shri Gumansinh Khetasinh Rathod (Folio No: 0197490) belonging to Class – A proposed the following resolution as an Ordinary Resolution.

Resolution no.: 11th AGM:02.09.2022:11/2022-23

NOTES

1. **A member entitled to attend and vote at the annual general meeting (AGM) is entitled to appoint a proxy to attend and vote on a show of hands as well as on a poll in his/her behalf and a proxy must be a member of the company. Non-member can not be appointed as a proxy. The instrument appointing proxy in order to be effective should be duly completed, stamped and signed and must be deposited at the registered office of the company at least 48 hours before the scheduled time of the meeting. A blank proxy form is enclosed herewith. A member appointed as a proxy shall act on behalf of such member or members not exceeding 300 members and holding in aggregate not more than 10% of share capital of the company.**
2. Every member will have only one vote (on show of hands as well as on poll) irrespective of his/her shareholding or patronage in the Company **subject to the condition that a member has fulfilled a basic condition** for voting i.e., he/she has poured milk for at least 200 days totalling to at least 500 litres in a previous financial year (2022-23).
3. The members of the company have at their First Annual General Meeting approved and adopted the criteria for categorizing members into different classes (Class A, B and C) based on the members' participation in business (i.e., patronage criteria) which has been modified/altere d at the 7th Annual General Meeting.
4. **Class Categorization of members and their entitlement to voting rights:**

At the close of financial year (2022-23) on 31st March, 2023, there were total 1,13,691 members on the roll (Register of Members) of the Company, whose class categorization, based on their patronage during F.Y. 2022-23, and the voting right status are given as under:-

a) Based on the analysis of data w.r.t., fulfillment and non-fulfillment of patronage criteria by the members during F.Y. 2022-23, there were 3,862 members in Class-A, 11,180 members in Class-B and 31,838 members in Class-C (aggregating to 46,880 members), who apart from fulfilling the basic condition for voting also fulfilled all the

criteria of patronage of their respective class, and therefore, they are entitled to vote on all the resolutions set at Item nos. 1 to 8 of the notice including voting on election of Director of a particular class to which they belong.

[Note: A member of one class (Class A, Class B, or Class C) can vote on appointment of director belonging to his/her own class only and cannot vote on appointment of director of other Class (vide Article 9.5 of the Articles of Association.)]

b) There were 9,810 members, who have fulfilled basic condition for voting (i.e., pouring of milk for at least 200 days totaling to at least 500 litres in a previous financial year) but have not fulfilled one or more of the patronage criteria of their respective class during F.Y. 2022-23. Hence, they do not qualify to be in any of the three classes for the purpose of categorizing members into different classes, and consequently, they are not entitled to vote on class based election of Directors (at Item nos. 3, 4, & 5), however, they can vote on other resolutions

at Item nos. 1, 2, 6, 7 & 8 of the notice.

c) A member who has not fulfilled the basic criteria of pouring milk for at least 200 days totaling to at least 500 liters in a previous FY 2022-23, will not have voting right at the AGM. Thus, 57,001 members who did not pour milk for at least 200 days totalling to at least 500 litres in a previous financial year (2022-23), and hence, they lost their voting right and are not entitled vote on any resolution to be moved at this Annual General Meeting.

Explanatory Statement:

(For item no. 8 of the accompanying notice dtd. 28th July, 2023)

Item no. 8

In order to have a transparency in the matter of selection of Director, members have at their 3rd AGM held on 26th August, 2014 adopted a guideline for constitution of Nominating Committee including the table showing the 'Applicant's Eligibility Scores against different parameter for the eligible applicant.

Further, the captioned resolution was modified two times, one at the 6th Annual General Meeting held on 29th August, 2017 vide resolution no. 6th AGM:29.08.17:8/2017-18 to widen the scope for representation of talented experts on the Nominating Committee. Secondly, it was partially

modified at the 11th AGM held on 2nd September, 2022 vide resolution no. 11th AGM:02.09.2022:11/2022-23 to include the attendance of Leadership Development Programme (LDP) with 5 marks under the parameter of Other Training Programmes attended.

One parameter in a score card table is - Share subscription is not falling short by more than 10% of the actual requirement as on 31st March of the previous financial year. (10 Marks). A company has the system to automatically deduct amount for proposed allotment of shares upon additional milk poured by the members over and about his/her commitment determined based

on his/her shareholding. Hence, this parameter has no relevance as there would not be shortfall in the subscription of shares.

In order to remove the aforesaid parameter from the score card table which presently becomes irrelevant and to increase the marks for attendance of LDP as well as to give the 5 marks to woman candidate for over and above the minimum qualification as prescribed in the Articles of Association, it is proposed

to adopt the fresh Ordinary Resolution incorporating all the modifications made at the previous Annual General Meeting.

None of the Directors/Officers of the Company or their relatives is, in any way interested or cornered in the resolution.

The Board of Directors recommends Ordinary Resolution as set out in Item no. 8 of the accompanied notice for the approval of members.

By order of the Board of Directors
